SINGLE & DOUBLE BARREL SHOTGUNS

INSTRUCTIONS FOR USE

IMPORTANT: KEEP FIREARMS POINTED IN A SAFE DIRECTION AT ALL TIMES.

This firearm and its component parts have been carefully tested and inspected during manufacture and assembly. This firearm has been proof-tested and function tested. This firearm should be used only with factory loaded ammunition of the gauge or caliber stamped on the barrel. Before firing be sure the bore is clear. Do not load or fire if there is grease, heavy oil or any obstruction in the bore.

SINGLE BARREL SHOTGUN

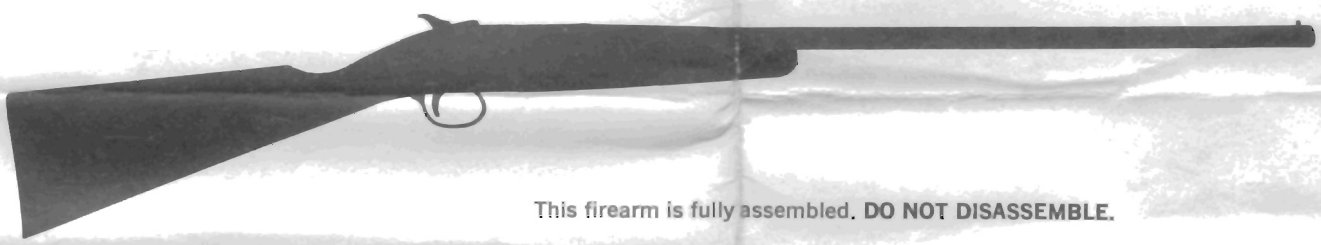
(Top Lever)

TO DISASSEMBLE—Remove fore-end screw and remove fore-end from barrel. Open action by pressing top lever to right or left. Remove barrel from frame.

TO LOAD—Insert shell in chamber and close action. Pull hammer back with thumb (without touching trigger) for each shot. Pull hammer back only when shooting.

SINGLE BARREL SHOTGUN

(Side Lever)



This firearm is fully assembled. **DO NOT DISASSEMBLE.**

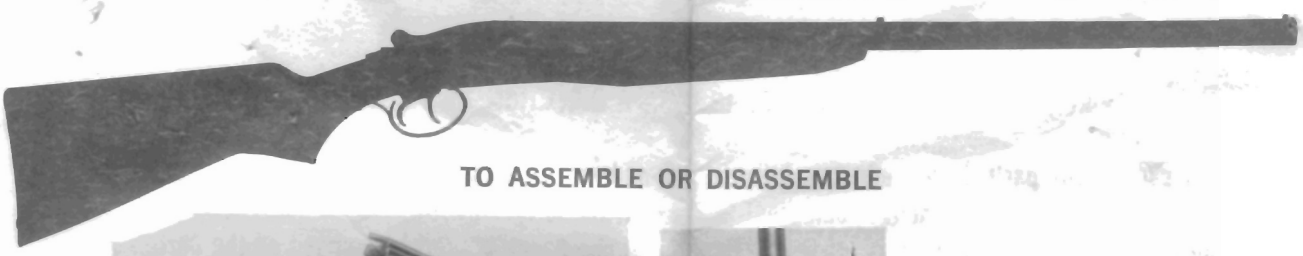
NOTE—Action cannot be opened or closed without releasing the trigger. To do so could cause damage to mechanism.

TO OPEN ACTION—Press down on side lever.

TO LOAD—Insert shell in chamber and close action. Pull hammer back with thumb (without touching trigger) for each shot. Pull hammer back only when shooting.

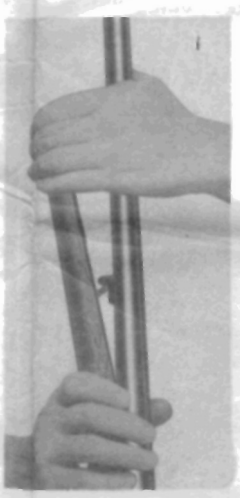
DOUBLE BARREL SHOTGUN

(Take Down)

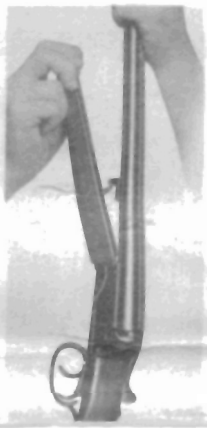


TO ASSEMBLE OR DISASSEMBLE

1. *Join barrels to frame by hooking barrel lug over hinge-pin in forward end of frame. Close breech.*

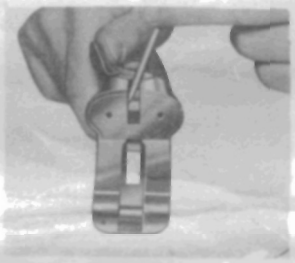


2. *Attach fore-end by placing the fore-end spring in spring lug and press fore-end against barrels.*



3. *When disassembling, perform reverse procedure. To remove fore-end, grasp it by tip and pull away from barrels.*

4. *When storing (taken down) for a lengthy period, release tension on top lever by pressing to right. With small instrument hold down top lever trip in extension slot and release top lever to center position.*



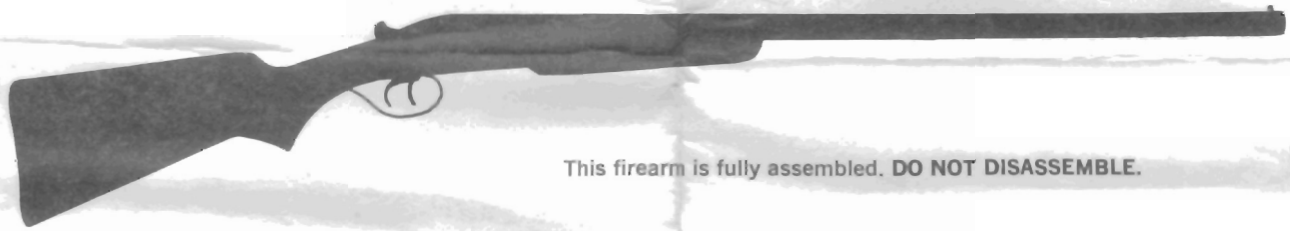
SAFETY—This firearm has a top tang safety that goes on automatically when breech is opened. To release safety, push forward with thumb.

TO LOAD—Push top lever to right and press down on barrels. This will open breech.

TO UNLOAD—Open breech. Shells will automatically extract part way for easy removal.

DOUBLE BARREL SHOTGUN

(Non Take Down)



This firearm is fully assembled. **DO NOT DISASSEMBLE.**

SAFETY—This firearm has a top tang safety that goes on automatically when breech is opened. To release safety, push forward with thumb.

TO LOAD—Push top lever to right and press down on barrels. This will open breech.

TO UNLOAD—Open breech. Shells will automatically extract part way for easy removal.

SAVAGE ARMS RECOMMENDED GUNSMITHS

Should it become necessary for you to have your firearm repaired, please take or send your firearm to the Recommended Gunsmith located nearest to you. Guns should not be returned directly to the factory. If the Gunsmith cannot handle the repair, he will forward it to the factory for you. For a list of CANADIAN RECOMMENDED GUNSMITHS please contact Savage Arms Service Dept., Westfield, MA 01085. Parts are available directly from a gunsmith or the Parts Distributor located nearest you.
